

Century Band Boosters  
Board Meeting  
Jan 5, 2020

### Ignite show premiere (1/21)

The premiere is on schedule to be ready on 1/21. We will premiere at 1:21 pm and again later in the day for parents. We will probably put it out on YouTube in general, not just on the band's channel, after the premiere.

We are asking the school to arrange for all classes to be able to watch it at 1:21.

We have one more piece of filming to do on the field at the school. We are hoping to get it done on Saturday. The design team has been working really hard and the video is looking great so far.

We want to invite other bands in the area and get lots of people to watch at 1:21 pm.

Mr Dunlop has asked James LaGris about helping put together a crowd-funding piece to go with the video release. He said he would be happy to help put something together.

### Apparel

Pauline has been working on getting extra show shirt orders handed out.

### Winter seasons

Winter guard has a schedule for their practices worked out. They will have the same rules as winter sports. They are using the covered basketball court at Reedville. They are going to meet one day live and one day online. The rules say the practices have to be a maximum of 2 hours.

Winter winds: We are waiting for permission from the district to allow the kids to play. When we are ready, they will meet Tuesdays and Thursdays at Reedville. Limit of ~25 kids. Seniors will get the first chance to sign up.

Winter drumline is working on a show design. They will also be meeting T/Th.

We are still looking into how we can accommodate cadets. We don't have a definite plan for them yet.

### Fundraising

The can trailer was broken into and someone took about \$1000 worth of cans. We turned in \$4000-5000 worth of cans recently. Some tires were also taken off of the smaller trailer.

The Rainy Day Games fundraiser finished yesterday. We are waiting to hear back from them.

Mod Pizza is scheduled for 1/11.

If you have other suggestions for restaurants to ask about fundraisers, please let Barb know.

We need at least 3-4 people to volunteer to help with the annual auction. We are going to try and plan for around April. We are looking into online auction sites or software that we may be able to use for this.

### Volunteer report

January 15th is the last day to turn in volunteer hours to Intel for 2020. Any matching donation requests also need to be turned in by then.

Monica will find out the dates for Nike.

### Other

We are going to start a 6th grade mentoring program. There are 24 6th graders at all of the feeder elementary schools. We are also going to try and do CHOMP this spring.
