

Century Band Boosters
Parent Meeting Agenda
October 12, 2020

- Marching band

- We plan to have the video ready to show to everyone in mid-November.
- We could use more pictures from parents for the cardboard cutouts in the stands for the video. Please send photos to media@centuryband.org. Here is an example of the type of photo that we need.

- Fundraising

- MOD pizza: The MOD Pizza fundraiser will be Oct 26. Takeout, delivery, and pickup are all included. For online orders, use the coupon code GR160764C. The band will get 20% of sales for the day. You can see all of the information here (<https://www.groupraise.com/events/160764>)
- Can drive Saturday, Oct 17, 10 am-1 pm. Drop off in the north lot. Please sort cans, plastic, and glass into separate bags before drop off.
- Fall pies. We are still working on getting pie sales up on the website. You can drop off order forms and payments to Barb (2167 SE 67th Ave.). Checks should be made to Century Band Boosters. If you pay on the website, Barb will still need your order form. If you have questions you can email her at Fundraising@centuryband.org. Students get 80% of the profit per pie in their account to cover fees. The amount is a little bit different for each pie.
- Virtual auction: We are working on figuring out a virtual auction to take the place of our usual springtime jazz auction. We would love to have volunteers. We are thinking about the Feb-March time frame but we don't have a definite date yet. We would like to set up a meeting next week for those who are interested. Email Barb if you want to help (fundraising@centuryband.org).

- Fred Meyer accounts can be linked to the band. The band gets a small amount for each time that you use your rewards card.
 - Amazon Smile accounts can also be set up to donate to the band.
 - Godfather's pizza. Just tell them that you are with the band and we get a percentage of the sale.
- **Apparel**

Show shirts are available to buy through the band website (centuryband.org). Shirts will be handed out during the can drive this Saturday. If you can't make it, Pauline will be available at other times to pick it up from her. You can email her at centurybanduniformapparel@gmail.com to set up a time to stop by. The sweatshirts for sale on the website are hoodies.
- **Treasurer report**
 - October fair share was due on Oct 3rd. October statements have gone out. If you did not receive one, please email Monica and Laurie (treasurer@centuryband.org).
 - The final fair share payment is due on Nov 5.
 - Payments can be made through the website or by mailing a check to Monica Poulsen (3622 SE Maple St). Checks should be made to Century Band Boosters.
 - All payments up to date in everyone's accounts through Oct 11. If you think something is missing, contact the treasurers and let them know.
- **Volunteer coordinator**
 - Drone pilot. Mr Dunlop is still working on finding a drone pilot.
 - Sewing. Thanks to all of our volunteers. Masks can be dropped off to Pauline (6382 SE Austin Ct) by the end of the day on Friday. That way they can be handed out with the t-shirts at the can drive on Saturday morning.
 - Sign ups will go out for helpers building the wall on Saturday after the can drive. (*change of plans. We do not need these volunteers)
 - Please enter your volunteer hours into CHARMS even though they are not required this year. We would still like to be able to report them to the school district.
- **Lessons**

Lessons are going great. About 80 kids have taken at least one lesson so far this school year. We are hoping that if we keep the kids improving and playing, it will help our band in the long run.
- **Miscellaneous**

Thanks to everyone who has been helping Cameron Whitney with his Eagle Scout project. He has about 10 more boxes of music left to sort. You can contact Pauline if you are able to help him finish it out.
